## ABOUT THE COURSE

Designed for all Water Plant and/or Distribution System Operators not currently certified and who work in a system designated for "Small Water System" operator certification. This course offers:

- Preparation to write the Saskatchewan Small Water System Certification Exam (also termed "Very Small Water System" Certification Exam)
- Examination session provided on the 5th day
- Introduction - Legislation & Water Quality Objectives for Small Water Systems
- Safety - Plant & Distribution Works
- Basic Technical Skills including Extensive Math/Science Practice
- Support Systems
- Administration
- Water Treatment (Principles/Equipment) - (Ground Water, Small WTP O&M & Disinfection, Sampling and Laboratory Procedures)
- Water Distribution (Principles/Equipment)

The course includes four days of instruction, manual, printed course materials and quizzes, and the course exam (1 exam written on morning of day 5).

## PREREQUISITES

Basic understanding of water treatment and water distribution system principles, practices, and terminology, as well as basic mathematic skills.

*Note: Grade 10 is required for Small Water System applications to the Saskatchewan Operator Certification Board (OCB). Please check the website ([www.saskocb.ca](http://www.saskocb.ca)) for more information on the requirements for Small Water System operator certification. If you are unsure if your system allows oversight with Small Water System certification, please contact your system's Water Security Agency Environmental Officer.*

**Registration Policy**

Certification and Workshop course registration closes 2 weeks prior to the start date.

No refunds will be provided within those 2 weeks; however, credit may be held for up to 1 year. Students who are absent, without informing ATAP of that absence prior to the course start, will receive a credit, which may be held up to 1 year.

**Cancellation Policy**

A full refund will be available 2 weeks prior to start, otherwise a credit may be held for the student/organization for up to 1 year.

**Exam Cancellations During a Course**

Registrants must indicate at the time of registration (whether online or by telephone), the course exams they are writing (both, one, none).

No credits or refunds will be available for exam cancellations once the course has begun.

No examinations can be added during the course.
