

# Confined Space Entry

ONE DAY IN-PERSON WORKSHOP

C.E.U. 0.6

LED BY: TBD

## ABOUT THE WORKSHOP

Workshop topics include Confined Space Entry (CSE) definition; work standards and procedures required to comply with OH&S regulations, responsibilities; precautions, planned entry, emergency preparedness, safety equipment, standby worker responsibilities, isolation, cleaning, adequate ventilation, gas testing and calibration; and job completion.

CSE may be required for both water and wastewater workers. Attendees are provided an opportunity to put theory into practice during a supervised confined space entry. OH&S regulations require that any person entering a confined space or any person acting as a standby assistant or as rescue staff for a confined space entry be trained in proper confined space entry techniques.

### **Registration Policy**

Certification and Workshop course registration closes 2 weeks prior to the start date.

No refunds will be provided within those 2 weeks; however, credit may be held for up to 1 year. Students who are absent, without informing ATAP of that absence prior to the course start, will receive a credit, which may be held up to 1 year.

### **Cancellation Policy**

A full refund will be available 2 weeks prior to start, otherwise a credit may be held for the student/organization for up to 1 year.

### **Exam Cancellations During a Course**

Registrants must indicate at the time of registration (whether online or by telephone), the course exams they are writing (both, one, none).

No credits or refunds will be available for exam cancellations once the course has begun.

No examinations can be added during the course.
