

C.E.U. **0.7**

LED BY: TBD

ABOUT THE WORKSHOP

This one-day workshop will provide practical information on the operation and maintenance of pumps and valves utilized in municipal water and wastewater systems including:

- types of pumps
- starting, stopping and priming pumps
- maintenance of pumps
- troubleshooting pumps
- critical pump parts; types of valves; applications of valves
- records
- common issues
- valve exercise programs
- tools, and stem maintenance;
- types of maintenance programs.

Video on valves, pumps and lock out/tag out will be included.

This workshop includes two consecutive mornings of instruction, 9:00 am to 12:30 pm each day, classroom material, and Record of Completion..

ONLINE CEU WORKSHOP WITH ATAP INSTRUCTOR

Registered students will be emailed a guest link to a Microsoft Teams virtual classroom which will be scheduled for set time and dates (see available dates below). An ATAP instructor will be teaching live with PowerPoint units and video content. Online discussion is also included. Workshop materials will be emailed along with login information prior to workshop, and certificates will be emailed to students with paper copies to follow by mail. A phone number will be provided for technical assistance.

Technical requirements:

- Email address (where login information can be sent)
- Access to a computer, mobile device or tablet
- Internet access
- Head phones are very helpful but not required

REGISTRATION IS FOR:

February 7-8, 2024 ONLINE Online Live Workshop

NOTE: CEU Credit is not granted by the Operator Certification Board of Saskatchewan if the same workshop has been taken more than once in two consecutive renewal periods.

Registration Policy

Certification and Workshop course registration closes 2 weeks prior to the start date.

No refunds will be provided within those 2 weeks; however, credit may be held for up to 1 year. Students who are absent, without informing ATAP of that absence prior to the course start, will receive a credit, which may be held up to 1 year.

Cancellation Policy

A full refund will be available 2 weeks prior to start, otherwise a credit may be held for the student/organization for up to 1 year.

Exam Cancellations During a Course

Registrants must indicate at the time of registration (whether online or by telephone), the course exams they are writing (both, one, none).

No credits or refunds will be available for exam cancellations once the course has begun.

No examinations can be added during the course.
